Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT (SMT. SMRITI ZUBIN IRANI)

(a)to(c): The Central Government had launched All India Survey on Higher Education (AISHE) in the year 2010-11 with the main objective to identify and capture all the institutions of higher learning in the country and collect the data on various aspects of Higher Education. All the institutions of Higher Education have nominated Nodal Officer for the survey and entering the data into the AISHE portal. The data on key indicators are available in public domain through portal and users can access it as per their requirement and convenience.
